## SEXUALITY, GENDER, AND THE LAW (HARDBACK)

[DOWNLOAD](#)

LEG Inc. (dba West Academic Publishing, United States, 2018. Hardback. Condition: New. 4th Revised edition. Language: English . Brand New Book. This casebook offers law professors and students a doctrinally comprehensive, theoretically ambitious, and up-to-date exploration of the treatment of sexuality and gender in American public law. The Fourth Edition extends the historically grounded first chapter from the Third Edition - establishing the three primary doctrinal strands of liberty, equality, and expression - through the end of the twentieth century. The second chapter focuses on the turning points that now define the field: The post-Roe undue burden standard as it has evolved from *Planned Parenthood v. Casey* to *Whole Woman's Health v. Hellerstadt*; The elimination of criminal laws against sexual conduct based on morality in *Lawrence v. Texas* and queries as to the reach of that principle; and The legalization of same-sex marriage in *Obergefell v. Hodges*. Discrimination against women and against trans- and non-binary persons is highlighted throughout the book, from the historical chapter through the most contemporary disputes in workplace and family law. The book's distinctive chapter on the theoretical debates that underlay the field contains more coverage of intersectional and trans-influenced thinking, and a new chapter focuses on the conflict between equality and religious liberty claims, which increasingly dominate in both LGBT and reproductive rights cases. With Professor Courtney Joslin of UC-Davis Law School joining as a new co-author, *Sexuality, Gender, and the Law* continues to provide both the most comprehensive and deepest coverage of this dynamic field.
