

Making the Beds for the Dead (Paperback)

By Gillian Clarke

Carc Janet Press Ltd, United Kingdom, 2005. Paperback. Condition: New. Language: English . Brand New Book. The title sequence of Making the Beds for the Dead charts the journey of a virus in the plague year . Come from outer space, it travels - on a fox s paw, the beak of a kite and a crow and a buzzard - into the very heart of our lives. The poet includes personal, verses and stories from farmers in her family and neighbourhood. The open structure allows the Gillian Clarke to include her seven rock poems, written for the National Botanic Garden of Wales; her poems based in archaeology; and her poems about war, and urban violence. There is an instinctive and a deliberate unity of theme and idiom in this book. The poet remains true to her landscapes and her nation. The sequence The Physicians of Myddfai , nine sonnets for Aberglasne, and much else is included in this characteristically generous and engaging volume by Wales best-loved poet.

Reviews

Complete guideline for publication fans. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Llewellyn Terry**

Absolutely essential read through ebook. Better then never, though i am quite late in start reading this one. I am just delighted to inform you that this is actually the finest ebook i actually have read through during my own existence and might be he greatest publication for actually.
