Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. This book is about the environmental crisis, activism, and psychology. It presents a major new theory in psychology, specifically in prenatal and perinatal psychology. This new understanding is the one crucial to saving our planet, our children, and ourselves. This book, also, reveals the ones - people probably like you - who are here now and destined to save this planet . or die trying. For this book, Wounded Deer and Centaurs, confronts a situation in current times where we are on the brink of an apocalypse of unimaginable dimensions. We are bringing about both a suicidal-style ending of humans on Earth, a humanicide, as well as are taking down with us all other life on this planet . we are committing an ecocide. This impending eco-humanicide requires of those currently alive to sacrifice on a scale previously uncalled for to forestall the consequences of the actions of generations of ancestors. This book deals with these elements of sacrifice; it shows where we have gone wrong; and it reveals where we could finally, after thousands of years of failure in righting the wrongs of evil, greed, injustice, war, and barbarity, finally, finally get it right. We can finally understand the roots of the evil that lies within humanity. We can see how and why they come into being within humanity . and within humanity, alone, of all species. And we find those discoveries of the causes of evil in humanity lie alongside the happy revelation that that evil within humanity is not part of our deepest humanity, so it is not inevitable that we act it out! Humanity can do better. And we need to! Luckily, there is a...
