

APPLES and ANGELS

By Jim Whitaker

Xulon Press. Paperback. Condition: New. 114 pages. Dimensions: 8.0in. x 5.2in. x 0.7in. Have you ever wondered if a phrase was really in the Bible? There are many quotations in common use that are incorrectly attributed to the Bible. This book will help you determine what is true and what is not true about many of those questions. Apples and Angels reflects years of seeking the truth in Bible study. One might say it is an engineer's approach to the Bible. Just the facts. Watch out for misunderstandings and assumptions. Don't let shoddy thinking impact the pure truth. Unless you are a long-time Bible scholar, you will certainly learn something from this book. It is packed with information and illustrations. It is easy to read, but the thoughts are challenging. As you use this book in your small-group Bible studies and personal devotions, you may find yourself returning to the Scriptures to see for yourself what is really there. Rev. Jim Whitaker is a retired bi-vocational minister. After getting a degree in Electrical Engineering from Virginia Tech and a Master of Divinity from Southeastern Baptist Theological Seminary, Jim worked in a variety of engineering and ministry jobs in North Carolina and...
