A MURDER OF CROWS

[DOWNLOAD](#)

Virtual Artists Collective, United States, 2011. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.In *A Murder of Crows*, Larry D. Thomas has artfully assembled decades of his writing about birds into a single volume of poetry. Thomas divides the collection into four sections. The first, *With Concentrated Grit*, begins with a sparrow that hops / easily its height, and quietly // explodes into flight. / flaunting for a moment its earth // tone browns and grays. It ranges through a whole aviary, from sparrows and pigeons (the urban version / of the buzzard) to yellow-rumped warblers, house finches, and an old blue jay arrogant / as a late Picasso, / raging beneath a blanket / at an auction. Section two, *Eyeing the Gulf*, begins with the mad / weightless dash of a sanderling chick s life and continues through herons that could be outgrowths / of the river itself through laughing gulls in rowdy reverence through a whole range of seabirds. The third section, *Deft at Tearing Out Hearts*, begins with the eagle for whom everything that moves / is potential prey and follows a trajectory of violence that includes the hawk preying for rain in Presidio whose only water / was the blood of his prey and the falcon praying / his scarlet prayer / of devourment. The crow, the heart and soul of the collection, is the subject of the final section, which shares its title, *A Murder of Crows*, with the whole. History reeks, Thomas writes, with the ineradicable / blackness of the crow s ink. His crow poems speak to the crow as metaphor, / for thousands / of years, / you ve charged // our psyches, / forging / the dark iron...
