Random House USA Inc, United States, 2001. Paperback. Condition: New. New edition. Language: English . Brand New Book. One of Thomas Hardy s most powerful works, The Return of the Native centers famously on Egdon Heath, the wild, haunted Wessex moor that D. H. Lawrence called the real stuff of tragedy. The heath s changing face mirrors the fortunes of the farmers, inn-keepers, sons, mothers, and lovers who populate the novel. The native is Clym Yeobright, who comes home from a cosmopolitan life in Paris. He; his cousin Thomasin; her fiance, Damon Wildev; and the willful Eustacia Vye are the protagonists in a tale of doomed love, passion, alienation, and melancholy as Hardy brilliantly explores that theme so familiar throughout his fiction: the diabolical role of chance in determining the course of a life. As Alexander Theroux asserts in his Introduction, Hardy was committed to the deep expression of [nature s] ironic chaos and strange apathy, even hostility, toward man.
