Excerpt: . . . 11 NSF also has considerable experience in supporting curriculum and academic program development and of administering graduate and undergraduate trainee programs such as scholarships for serv-ice, the Cyber Corps program. This program has been funded at ap-proximately 11 million for the past 2 years, and the Administra-tion is requesting 19. 2 million in supplemental funding to enhance the program in fiscal year 2002. Such activities also help accelerate developments in cyber secu-rity, especially when coupled with vibrant research support to at-tract research faculty into the area, as mentioned above. Thank you again for the opportunity to testify, and I would be happy to respond to any questions you may have. The prepared statement of Dr. Strawn follows: P S D.
