LEAVING THE PSYCHIATRIC HOSPITAL

Condition: New. Publisher/Verlag: AV Akademikerverlag | A New Experience in Argentina | Revision with unchanged content. In Argentina, deinstitutionalization and community-based mental health care are almost nonexistent, and public psychiatric hospitals with inpatients interned for decades are still the norm. A few professionals within these institutions are working to make a gradual change in this situation, helping longterm patients return to life in the community. But how, in the Argentinean context, can they leave the asylum and integrate into society?...
