SIMON SCHUSTER, United States, 2014. Paperback. Condition: New. Reprint. Language: English . Brand New Book ***** Print on Demand *****.In this thoroughly researched and documented book, the #1 New York Times bestselling co-author of Unfit for Command: Swift Boat Veterans Speak Out Against John Kerry explains why the extreme leftism of an Obama presidency would leave the United States weakened, diminished and divided, why Obama must be defeated -- and how he can be.Barack Obama stepped onto the national political stage when the then-Illinois State senator addressed the 2004 Democratic National Convention. Soon after Obama was elected to the U.S. Senate, author Jerome Corsi began researching Obama s personal and political background.Scrupulously sourced with more than 600 footnotes, The Obama Nation is the result of that research. By tracing Obama s career and influences from his early years in Hawaii and Indonesia, the beginnings of his political career in Chicago, his voting record in the Illinois legislature, his religious training and his adoption of Christianity through to his recent involvement in Kenyan politics, his political advisors and fundraising associates and his meteoric campaign for president, Jerome Corsi shows that an Obama presidency would, in his words, be a repeat of the failed extremist politics that have characterized and plagued Democratic Party politics since the late 1960s.In this stunning and comprehensive new book, the reader will learn about: Obama s extensive connections with Islam and radical politics, from his father and step-father s Islamic backgrounds, to his Communist and socialist mentors in Hawaii and Chicago, to his long-term and close associations with former Weather Underground heroes William Ayers and Bernadette Dohrn -- associations much closer than heretofore revealed by the press. Barack and Michelle s 20-year-long religious affiliation with the black-liberation theology of former Trinity United Church of Christ Reverend Jeremiah Wright,...
