CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 78 pages. Dimensions: 9.0in. x 6.0in. x 0.2in. These days a lot of web applications are being developed to meet the growing demands of business. So testing these applications is a big challenge. Automating test scenarios has become almost inevitable to reduce the overall cost and fast regression testing. Selenium webdriver is the best open source testing framework that can be used to automate the testing activities in web application project. In this book I have included all webdriver concepts with examples in VB. Net. Anyone looking to automate the web applications using selenium webdriver can use this book. It provides a lot of examples and tutorials in selenium webdriver in VB. Net. This item ships from La Vergne, TN. Paperback.
