Reviews

This ebook might be worthy of a read, and far better than other. it was writtern really flawlessly and useful. I found out this pdf from my i and dad recommended this ebook to learn.

(Prof. Ruben D'Amore PhD)

THE LIFE HISTORY OF A STAR (PAPERBACK)

Margaret K. McElderry Books, United States, 2002. Paperback. Condition: New. Reprint. Language: English . Brand New Book ***** Print on Demand *****.Supernova Kristin Folger feels like she s on another planet. Her body keeps changing shape. Her mother wants her to dress like a girl. Her best friend s dating a weirdo. And there s a ghost in the attic that no one wants to talk about. In the era of Watergate, the Vietnam War, and David Bowie, fourteen-year-old Kristin navigates the external and internal changes that come at top speed. The Life History of a Star is Kristin s sometimes comical, sometimes cynical, always thoughtful diary about what her life has been like since the ghost arrived. It takes a lot of time and an unforgettable family therapy session for Kristin to begin to learn who the ghost was -- and who he still is. And where on earth she fits in. Caught up in the politics of her time and in the middle of a family who doesn t always understand her, Kristin makes a memorable journey through the byways of adolescence -- all the way to the stars and back again.
