Bloomsbury Publishing PLC, United Kingdom, 1998. Hardback. Condition: New. Language: English . Brand New Book. This identification guide covers all the birds known to occur in the West Indies, a total of 563 species. Species texts cover all aspects of identification and include the full range of local names for the bird. Accompanying each species text is a distribution map showing the bird's range within the West Indies. Every species is illustrated in the 86 colour plates, and many island forms (where relevant) are also depicted. The locality checklist included provides an at-a-glance, island-by-island guide to the distribution and status of all species.
