A KNIGHT ON VIGIL (PAPERBACK)

Stonebunny Press, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. What does it mean to style oneself a knight in these modern times? Why do so many organizations bestow this warrior's title on their best members? Why is the symbolism of knighthood so attractive? Finnvarr de Taahe, who has borne the rank of knight among medieval re-creationists for over four decades, has pondered long and hard on these questions. In this volume he offers his thoughts on why people want to be knights, on chivalry and the virtues, and on courtly love. This volume will be of interest to anyone who wishes to understand the mindset of the medieval knight and use it as a guide to excellence.
