Workman Publishing, United States, 2009. Hardback. Condition: New. Language: English . Brand New Book. The amazing Bob! The amazing Boynton! Because who else but Sandra Boynton could imagine 15 Bobs in one book? Actually, that s 14 Bobs, and one Simon James Alexander Ragsdale the Third (he s a turtle), which gives Fifteen Animals! the added dimension of being a unique counting book--count the Bobs, count the pets, count the bunnies, count the fish. Fifteen Animals! also comes with a free song available via download. It s all the energy and appeal of Boynton: the lively language, distinctive illustrations, and inimitable characters. And music. And counting. And, for the first time, a person character, an earnest little boy who loves animals and happily sings: I really like animals, I like them a lot. Fifteen animals is what I ve got. I ve got fifteen animals. They re friendly and tame, and I ve given each one a special name. Make that Bob.
