

Investing for Couch Potatoes: Concise Edition (Paperback)

By Tony Pow

Createspace Independent Publishing Platform, 2014. Paperback. Condition: New. Concise. Language: English . Brand New Book ***** Print on Demand *****. This book is targeted to beginner investors and/or couch potatoes who do not want to spend a lot of time in managing their investments. This book helps someone looking for simple but profitable strategies in investing. It only takes about half an hour a month to monitor the market and decide what stocks to buy and sell. This book uses the advanced strategies described in my other books but in very simplified instructions. The trick is to make them easy to use from the research information available to us free of charge. I start with market timing. You should not buy any stocks when the market is plunging. Actually you should sell most of the stocks you own when the market is plunging. I have a simple way to spot market plunges. It is based on charts. However, you can obtain similar info without creating charts and there is nothing to subscribe. Last update: 09/2017 Size: 68 pages (6*9).
