Nicole Lord wants to be a good wife, but there s a difference between being supportive and supporting her husband, who quit his job to write a screenplay she s never seen. He won t even help take care of their son, leaving Nicole to run the house and work full-time at her Mischief Bay Pilates studio. Can she say enough is enough without losing the man she loves? Sacrificing a personal life for her career is how Shannon Rigg rose to become vice president in her firm, but she wonders now whether she made the right choice. An exciting new relationship with a great guy convinces her that it might not be too late until he drops a bombshell that has her questioning whether she can have it all. And if she can, does she want it? Although Pam Eiland has a beautiful house and a husband she adores, she feels restless. She wonders who a stay-at-home mom becomes after the kids are grown. Finding sexy new ways to surprise her husband brings the heat and the humor back to their marriage, but when unexpected change turns her life upside down, she ll have to redefine herself. Again. Through romance and heartbreak, laughter and tears, three very different women will discover that friends can become family, and that life is richer with sisters at your side.
