Reviews

This is actually the finest publication i actually have study right up until now. We have study and so i am confident that i am going to planning to go through again again in the foreseeable future. I am just effortlessly will get a delight of studying a published book.
(Lori Bernier)

WORDSTRUCK!: THE FUN AND FASCINATION OF LANGUAGE (PAPERBACK)

Lexicon Alley Press, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Welcome to Susanna Janssen's wondrous world of words. In *Wordstruck!* you'll find a wealth of entertaining reflections on language full of humor, imagination, and insight. Anything goes, from the genius of Shakespeare to the unintentional hilarity of linguistic faux pas; from musings on the bilingual brain to the poignant humor of her *Life in Words*; from translations gone riotously bad to English learners tortured by our mother tongue's inconstant consonants and sudden vowel movements. In this fun and fascinating look at language and the cultures that create it, you'll find a new love for metaphor, a fabulous arsenal of fascinating word origins, a surprising cure for earworms, a joyful romp with everyone's favorite grammar errors, and a way to spot liars by listening to their words. You'll learn that color can be a language as foreign as Farsi, and that there are countless words in other languages that don't exist in English. Dive into this love affair with the lexicon. Please smile, do laugh, and if you cry, it might be at the very last page. Readers praise for *Wordstruck!*: A good teacher is a good entertainer and Susanna Janssen is definitely both. Smart, Witty, Entertaining, Educational, Touching, and just plain Fun. I thoroughly enjoyed it. Each chapter is a compelling story in itself-- a great armchair book for everyday linguistic excursions. I want a set for my classroom! From personal anecdotes to Shakespeare's creations, it's a page-turner. This book inspired me to want to read. It makes English come alive! *Wordstruck!* is both funny, and profoundly educational. I'm falling in love with words all over again. I think the book should...
