Need2Know. Paperback. Book Condition: new. BRAND NEW, Writing a Novel: The Essential Guide, Pearce Samantha, So youve always wanted to write a novel and youve decided that this is the year to do it. The question is; where do you start? Perhaps you have an idea of plotline, of lead characters and of the books intended readership. Or perhaps not. Regardless of how much preparation you have or havent completed, if you are looking for a resource to support you on your novel writing journey, then this is the guide for you. Writing a Novel: The Essential Guide will walk you through each of the steps that you need to take to turn your creative story ideas into a well rounded, publishable book. It will help you address those important initial questions such as; what genre of fiction am I best equipped to write? and how can I ensure my characters sound real when they speak? With individual chapters dedicated to each stage of the novel writing journey, readers can systematically work through this guide as they embark upon their own creative writing process. Each stage is explained in a step-by-step manner, taking the fear out of mastering the craft of novel writing and supporting readers as they themselves turn their ideas into polished stories.
