Michael Ruybal, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Dog Tags are creative little characters that enjoy good old fashion military banter. Comparing Coasties to pretty pink unicorns or that crazy love affair between the NAVY and the Marines, Oh My! Army boys still thinking they are larger than life, and US Air Force, well let s just say there may be hope. The Dog Tags are all about good clean fun, poking fun of one branch to another in an endless comical way that never seems to have an end in sight. The Dog Tags on the other hand tells the lighter side of the US Military. Stories service-members from all eras have told. Specific moments when in the heart of hell made them smile, made them laugh and made the surrounding seem just a little bit more bearable. Live, Laugh, Love and welcome to the Funny pages.
