This book is really gripping and fascinating. Of course, it is actually play, nonetheless an interesting and amazing literature. You will not feel monotony at anytime of the time (that's what catalogs are for about if you request me).

Doses of Devotion is simply a little encouragement for those days you feel like you cant go on. This is not a how to guide or a book to tell you that all you have to do is pray but it is a book to let you know that, yes, prayer works but not just prayer alone because the bible says; Faith without works is dead (James 2: 17). See, youve got to have faith that whatever you ask for will be given. So, stop asking God like youre scared because I assume you really need what youre asking him for. Ask Him for what you need and do so like its already done! No, I am not an ordained minister or evangelist nor do I claim to have all the answers but I am simply a young lady with a talent given by God that Ive chosen to share with you. I live everyday with trials and tribulations so I can be an honest witness of Gods unbelievable power. I pray that this book reaches those that need a little or even a lot of encouragement for the times youve seem to fallen and dont know how to get back up! I pray that this book gives you, if even a little, hope and understanding and the courage to pray more. Spend time in total devotion to God and watch how He works in your life. Will it be easy, no but nothing worth having ever is! This item ships from La Vergne, TN. Paperback.
