THE BRIDGE BETWEEN STARS (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.We are on the brink of chaos. Terrorist attacks run rampant, fear and tension mount, and nuclear war seems inevitable. An ancient tribe of beings, disguised as a primitive people living on an isolated island, is discovered with promises to save the world from its own destruction. We call them the Cthanko, and they come bearing a Trojan Horse-like gift: the God Lily, a cultivated flower with miraculous healing properties. At an event to welcome the Cthanko to modern civilization and obtain the God Lily for all, the Cthanko launch a sudden and violent attack, killing the U.S. president and other world leaders on live television, and ushering an invasion that threatens the total annihilation of life on earth. With impossible speed, and an army that seems to materialize seconds before attacking, the Cthanko devastate the eastern seaboard. The story is centered on a small family caught in the initial Cthanko attack. They escape by boarding a train traveling north to a rumored stronghold that contains the only means of defeating the Cthanko. The Bridge Between Stars is a nightmare come to life. A haunting tale of a family's will to survive at all costs, even when hope is lost, and a love that spans galaxies.
