

Problems and Solutions in Electromagnetics

By Ajoy Ghatak, K. Thyagarajan, R. K. Varshney

Viva Books. Paperback. Condition: new. BRAND NEW, Problems and Solutions in Electromagnetics, Ajoy Ghatak, K. Thyagarajan, R. K. Varshney, A collection of problems in electromagnetics for the undergraduate level, this book covers the basic as well as some applied aspects. Apart from fundamental areas like electrostatics, magnetostatics, wave propagation, reflection and refraction, the book also has problems in magnetic circuits, metallic waveguides and dielectric waveguides. Many of these problems have been evolved over the past decade of teaching the course to undergraduate students. The problems are at various levels of difficulty, starting from the simplest. Some of the problems should help the reader in further understanding the field and also in the application of the basic understanding. Along with the problems solutions to all the problems have been provided to help the reader to test his/her understanding of the concepts.
