Little, Brown Company, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book. (Volume 1)For self-styled book girl, third-year high school student Tohko Amano, being the head of the literary club is more than just an extracurricular activity with minor perks. It's her bread and butter . . . literally! Tohko is actually a literature-gobbling demon, and instead of the less palatable option of water-soaked bread, she opts to munch on torn out pages from all kinds of stories. But for Tohko, the real delicacies are handwritten stories. And to satisfy her gourmet tastes, she's employed (aka. browbeaten) one Konoha Inoue, an underclassman who has retreated from writing novels after his experiences with getting published at an early age. So day in and day out, Konoha scribbles away to satisfy Tohko's appetite. But when, one day, another student comes knocking on the literary club door to seek advice on writing love letters, will Tohko discover a new kind of delicacy to whet her voracious appetite?.
