AUTHORHOUSE, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Every man had a dream of the kind of man they would one day become. Have you become this man? Have you ever asked another man whether he s become who he always wanted to be. I m surprised to find that so many men their earliest dreams for themselves are just a hope for the future. This book is for men, and for everyone who cares about them. We give up our dreams too easily. Our personal growth stops. What we don t know is that we re missing the connection of full emotional intimacy. Without emotional intimacy and joy, men aren t fully alive. What a tragedy that so many men are missing so much. It is my hope that this book will bring you or those around you closer to being the man you always dreamed of becoming.
