

Christian Universalism, Maybe God Isn't Such a Bad Guy After All: Surprising Answers to Perplexing Questions People Ask about the God of the Bible (Paperback)

By Richard Harold Goyette

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In this book I provide convincing Scriptural support for the doctrine of Universal Reconciliation, also known as Christian Universalism. Many other related issues are also discussed, including the nature of Christian salvation, the purpose of God's judgments, predestination and free will, the problem of evil, and popular misconceptions about Heaven and Hell. Many evangelical Christian doctrines are contradictory and/or paradoxical in nature. For example, why must unbelievers pay a penalty for sin that was already paid by Christ on the Cross of Calvary? If the penalty is everlasting torment in a place called Hell, how could Christ have possibly paid that penalty? He remained dead for less than three days and is alive today in Heaven. According to Jesus, God commands us to return good for evil and forgive our enemies, because that is what God is like. If God refuses to forgive His enemies and tortures them forever in Hell, wouldn't that make God the greatest hypocrite of all time? How could God be both loving and unimaginably cruel and hateful at the same time? The word...

Reviews

Complete guideline for publication fanatics. It is written in easy phrases rather than hard to understand. I am very happy to inform you that this is basically the finest pdf we have studied in my personal life and can be the finest pdf for at any time.
