

Climate Life: Policy, Politicians Propaganda (Paperback)

By Von Knowledge

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The book Climate Life is a manifestation of my frustration with trying to understand the facts about climate change and truly getting to the bottom of the climate crisis as so many climate scientists are calling it these days. No one can refute we have only one planet, at some point all water ends up being recycled, and climate has been changing since the beginning of time. The world ecosystem is in constant flux and there is nothing we can do to change this except try to better understand climate before enacting additional policy which could prove detrimental to the environment and our freedoms. An excerpt from a 1970 s article on global cooling went as far to mention . .melting the arctic ice cap by covering it with black soot or diverting arctic rivers. Does that sound like a sane solution to you? I ll let you be the judge. especially since an article in 2014 stated a climate scientist, correctly predicted back in 2000 that the Earth was entering a cooling phase. What are we to believe? Within this book...
