All the English skills in the 2014 National Curriculum for Year 2 are gathered into one coherent sequence, which you can use as a complete plan for your whole year's literacy lessons, or as a flexible starting point. This Teacher's Guide provides progression for your pupils, and supports you in delivering a more demanding skills-based curriculum. Treasure House Teacher's Guides are underpinned by five core principles to ensure that all children learn to enjoy and excel in English. * Wonder and joy for curious young minds describes the carefully mapped journeys from immersion in high quality texts through to independent creation. * Reading is a critical academic and life skill for children to develop, so is at the heart of every Treasure House learning journey. * Great teaching requires effective assessment for learning; this is why flexibility is built into the foundations of Treasure House. * Treasure House learning utilises a high ceiling, low threshold approach to differentiation, enabling access and success for all. * Teachers are intelligent decision-makers: Treasure House encourages professional judgement in the crafting of inspirational English lessons.
