Pure Fusion Media, Inc., 2018. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Where is this generation's Martin Luther King Jr.? Someone who can speak to more than just their own tribe but also to the masses? A man or woman who can communicate beyond ideological boundaries, religious preferences, ethnic divides, and political lines and into the hearts of all of us in a way that causes resonance and transformation? Maybe it could be you. MLK was more than a celebrity or a just a great leader and speaker. He was a world shaper. He didn't just change a culture. He changed history. I believe you inherently have the same ability and character. In fact, I believe that each of us has been Providentially given a world shaping idea. An idea that will resonate with the world, not just with a tribe. A thought capable of causing world transformation that, with our rise in communication technologies, can be broadcasted to the masses in the blink of an eye. More than any other time in history, it is technologically possible and socially viable today. MLK2.0 is a journey into becoming a world shaper and finding, cultivating, and broadcasting your world shaping idea. The world is desperate for a new MLK. Are you willing to discover if you have what it takes to become an MLK2.0? I believe the world is expectantly awaiting your answer.
