By -

Alfred Publishing Co., Inc., 2010. Mixed media product. Condition: New. Language: English . Brand New Book. Nine romantic texts by master poets (Shakespeare, Browning, Byron, and more) are exquisitely set as contemporary art songs for any voice type. The expressive piano accompaniments never double the vocal parts, but rather create independent, complimentary lines. Use the composer s suggestion to program a recital set, or sing just one at an upcoming adjudication.
