Reviews

It is just one of the most popular ebooks. It usually fails to price an excessive amount of. You will not really feel monotony at any moment of your time (that's what catalogues are for about when you check with me).

MYSTIC STORM

Soul Mate Publishing, United States, 2014. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.The Fates haven't been kind to Zephyr, God of the West Wind. After interfering in a Hero's Journey, they've cursed him. Yeah, he probably deserved it. But come on, does he really have to spend his daylight hours trapped in a woman's body? And did they have to take away his power over the West Wind, too? As if his life isn't complicated enough, a Muse - a supernatural tabloid journalist - appears on his doorstep. So what if she's irresistible, whip smart and probably the only female on the planet who doesn't find him charming, he has dangerous secrets that he'll do anything to protect. Kalliope is a Muse on a mission: Find her wayward brother, Niko, and bring him home. By leaving her island sanctuary, she's broken the rules, but she'll risk banishment to save him from yet another ill-fated scheme. She'll even accept help from Zephyr, the immortal world's most undeniably gorgeous and notorious rake.
