For owners of dogs classified as bully breeds, it s a loaded question, one that conjures up scenes of aggression: canines pitted against one another. A complex reputation --and history-- precedes Staffordshire bull terriers, Amstaffs, bulldogs, and American pit bull terriers. But did you know that the bully breeds are responsible for less than 1 of all dog bites on humans? Facts aside, these affectionate dogs are widely misunderstood, and pit bull devotees are game for a change in public perception of the breed. Bully is an anthology of art, advice, interviews, and anecdotes; a celebration of the pit bull and the people they love. Designed and illustrated by a network of cutting-edge artists, Bully gets to the heart of this oft-maligned breed and the cultures that surround it. Packed with interviews from top breeders, pit bull rescue operation organizers, and the masterminds behind rapper DMX s dog clothing line Boomer 129, Bully explores the evolution of the breed, offers practical and personal insights into a world that need not be intimidating, and smashes stereotypes with facts and style. From the streets to the suburbs, a scrapbook of pit bull love.
