PAUL MORGAN ARCHITECTS

ORO Editions. Paperback. Condition: New. 112 pages. From survival pods for a climate-stressed Australia of the near future, to buildings sculpted to respond to the environment that surrounds them, the work of Paul Morgan Architects is a highly unconventional blend of science fiction, sustainability and speculation. Despite operating in a mode far from the architectural norm, however, the practice has received a slew of awards in the decade since its inception, including the Robin Boyd Award for Residential Buildings and...
