I researched the similarities between Jesus, the God of the Bible, and Allah, the god of the Koran. By reviewing evidence in the Koran and the Bible, after being vetted according to the standards of academia, I arrived a well informed conclusion concerning Jesus and Allah. Not only do the primary documents of Christianity and Islam inform this research, but the voices of history, theology, and tradition add to the supporting research. If you are investigating Jesus, and wondering how He is like Allah, this research will be helpful.
