

Pain-Free Sitting, Standing, And Walking (Paperback)

By Craig Williamson

Shambhala Publications Inc, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. Most of us take the acts of sitting, standing, and walking for granted, but for those suffering from back, muscle, and joint pain, even these seemingly simple actions can be extremely uncomfortable. Poor body alignment or habitual movement patterns that crop up when we compensate for a bad back or painful neck can only further exacerbate existing issues--and create new problems. In this accessible workbook, Craig Williamson demonstrates how by just doing these three basic actions with optimal body alignment and attention, you can help free yourself from existing pain and prevent further injury. The protocol is simple but extremely effective, and step-by-step photos guide you through every exercise. Williamson's approach has been praised by physicians, physical therapists, coaches and sports trainers, yoga instructors, and patients.

Reviews

This pdf is fantastic. It typically is not going to price too much. You will not truly feel monotony at at any time of your own time (that's what catalogs are for about if you request me).

-- **Leslie Reinger**

Thorough information! Its such a excellent read. It is really simplistic but unexpected situations within the fifty percent of your pdf. Once you begin to read the book, it is extremely difficult to leave it before concluding.
