The first thoroughfare plan for Farmville was developed in 1970 (map dated May 7, The second and latest thoroughfare plan was completed in 1979 (map dated Oune 27, However, due to new growth patterns and completion of two thoroughfare items, the Eastern Loop and Us 264 Freeway; the Town of Farmville requested an update of their thoroughfare plan. This thoroughfare plan will set forth a system to serve anticipated traffic and land development needs of the Farmville Urban Area for the next twenty - nine years. Insufficient present and future capacity and maintenance needs are items established in the development of a plan. The system of thoroughfares proposed follow the basic Principles of Thoroughfare Planning as described in Chapter II of this report. There are many benefits to be derived from thoroughfare planning. The primary objective is to enable major thoroughfares to be progressively developed that will adequately service future traffic demands. The location of thoroughfares depends on field investigation, aerial photos,...
