

The Influence of Christianity, Vol. 8: On the Vocabulary of Old English (Classic Reprint) (Paperback)

By H S Mac Gillivray

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Influence of Christianity, Vol. 8: On the Vocabulary of Old English No one of the above cited authors had, to my mind, treated the theme anything like as exhaustively as the subject demanded. In the lists of words and expressions cited it was often hard to see precisely wherein the influence of Christianity consisted; and the reader was forced to a continual use of the dictionary to supply the deficiency. Furthermore no trace of an exposition of the historical development of a word or expression within the language in question was to be observed; in short the entire treatment seemed to me much too brief and rudimentary. Starting out with the intention of reading only the more important anglo-saxon monuments, I soon found it desirable for even a tolerably complete presentation of my subject to include within the scope of the investigation every work of any importance in the language. This, of course, much increased the bulk of preparatory work. I had hoped to complete the whole as a dissertation; but have been compelled by the increased amount of the...
