Da Capo Press. Paperback. Book Condition: New. Paperback. 320 pages. Dimensions: 8.7in. x 6.1in. x 0.8in. A compelling blend of science, history and storytelling. Barbara Ravage has fashioned an enlightening, invaluable book. Stewart ONan, author of *The Circus Fire: A True Story of an American Tragedy* Though each of us is just a spark away from being a burn victim, the public knows little and understands less about the world that patients inhabit. Pulling the curtains back on this private and sterile environment, *Burn Unit* is a riveting account of the frontline efforts both modern-day and historical to save lives devastated by fire. With unflinching urgency, Barbara Ravage follows an extraordinary team of healers at Massachusetts General Hospital, the cradle of modern burn treatment and the site of one of the best burn units in the world. From Boston's Coconut Grove fire of 1942 to the treatment of the victims of the Rhode Island nightclub fire in early 2003, we watch everyday heroes do their incredible but punishing work against the backdrop of history. Both a moving human drama and an engrossing scientific exploration of this little-known field of medicine, *Burn Unit* is an unforgettably powerful read. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
