Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Can the big city girl convince the small-town cowboy to give Christmas a second chance? Or will the secret she hides destroy any chance of a relationship between them? When Serafina Anderson makes a mess of her first semester of college, she does what she knows best: avoids facing her parents. This time she runs away to spend her winter vacation at the ranch of her cousin, Trish. Her escapades also lead her right into the arms of Andrew Clark, the small town s most notorious troublemaker. But Sera sees beyond Andrew s crass nature and recognizes that the bad boy isn t as bad as everyone makes him out to be. Andrew Clark hates Christmas-at least he has since his parents died. He refuses to buy into the commercialism of the holiday and does his best to shove the hurt he feels down so deep inside him that no one will ever find it. So when Sera ignores his bad temper and rude remarks, he wonders if he s finally found the angel who can rescue him from himself-until he discovers that she s been lying to him all along. Corriisa James offers this inspirational love story to remind us that opening our hearts to others can be the greatest gift of all.
