By Robert Reed

Dover Publications Inc., United States, 1980. Paperback. Condition: New. Language: English . Brand New Book. The rise and growth of Washington, D. C., in the nineteenth century closely paralleled the invention and development of photography -- a felicitous circumstance that made possible this valuable photographic record of the early years of the nation s capital. Culled from the archives of the Library of Congress, Smithsonian, Columbia Historical Society, and other sources, these 224 rare prints (including works by such Victorian-era cameramen as Brady, Bishop, Plumbe, Hiller, Peale, et al.) constitute a vivid and enduring record of a city in progress -- from sparsely settled provincial southern town to majestic seat of national power and influence. In spite of their vintage (over half are pre-1900; the earliest a striking 1846 daguerreotype of the Capitol under construction), these priceless views retain an undiminished precision and clarity of detail that brings old Washington into sharp focus -- timeless reminders of how a city and its people looked as a metropolis of pomp and power grew up about them. From the slums of Purdy Court to the turreted mansions of Dupont Circle, from the massive marble monuments of Federal Washington, to the humble shops...
