Reviews

Comprehensive information for publication enthusiasts. It is rally exciting through reading through time. I am happy to tell you that here is the greatest book i have got read through in my personal existence and can be he best ebook for possibly.
(Reese Morissette)

SEARCHING FOR DAVE CHAPPELLE

Audible Studios on Brilliance, 2017. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. In 2005, Dave Chappelle left show business at the height of his fame, giving up a small fortune and the hottest new television show in many years. In so doing, he transformed from being one of the greatest comics of his generation into one of the most enigmatic ever. In *Searching for Dave Chappelle*, Jason Zinoman, the first comedy critic in the history of *The New York Times*, sorts through the myriad theories and examines what happened to this singular artist. Through extensive reporting, this audiobook tells a compelling narrative that takes listeners behind the scenes of Comedy Central, the New York comedy scene and network television. This is not just a story about Dave Chappelle, but also about race, fame and the often blurry relationship between image and reality. Chappelle's reputation has only grown over the years and he remains one of the most influential and admired comedians alive. Just as he tip-toes back into the spotlight with a high-profile national tour, this audiobook delivers the essential analysis of his life and work.
