CreateSpace Independent Publishing Platform, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Accounting Finally Made Simple (Yes, I'm Not Kidding!) Are You Ready to Get Ahead of the Curve? * * *LIMITED TIME OFFER! 40% OFF! (Regular Price \$10.99)* * * Let me start with a bold statement: if you want to be successful in business and life, then you NEED to learn Accounting. Yes, you do. It doesn't matter what you do: maybe you work at a retail company, maybe you're a lawyer trying to close a deal, or a stock broker hoping to make that sale. We are ALL in the same game, and yet most people don't even realize it. Most people don't even take the time to incorporate and get better at one of the most important life skills there could ever be! That's precisely why at least 80% of the world population are ignorant when it comes to Financial Accounting. They SUCK at reading and the interpretation of financial statements. And so I did, back when I started my business career. It took me time to learn the right secrets. It took me a lot of time and errors to build the tools that would make me the business person I'm today. And now, I'm willing to share those secrets with you. I wrote this book for a reason. I wrote this book to help you incorporate ALL the Accounting you'll ever need. I wrote it to show you how you can skip the averages and go the whole way. You see, I may not know you, but I certainly know something about you: both you and me are alike. Whether you are just getting started on business (and have no idea what an Income Statement is) or even...
