Brand New Book ***** Print on Demand *****.I was on a French steamer bound from Havre to New York, when I had a peculiar experience in the way of a shipwreck. On a dark and foggy night, when we were about three days out, our vessel collided with a derelict--a great, heavy, helpless mass, as dull and colorless as the darkness in which she was enveloped. We struck her almost head on, and her stump of a bowsprit was driven into our port bow with such tremendous violence that a great hole--nobody knew of what dimensions--was made in our vessel.
