Forgotten Books, 2018. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Salvation of Christ, or a Brief Exposition and Defense of Universalism, for the Candid and Careful Consideration of All Such as Are Opposed to an Universal Savior Tn object of this little publication is, to furnish the Universalist community with a Tract that can be given or loaned to a neighbor in return for a similar favor. I have been repeatedly called upon by my friends, especially in sea sons of great religious excitement, for something containing the outlines of our system of faith and practice, but was never able to afford any thing but a bound volume, or a little Tract of four or eight leaves - the latter containing, princi pally, quotations of Scripture favoring the doctrine which Universalists profess, leaving wholly unnoticed those numer ous passages used in proof of a widely different sentiment. Many of these passages I have tried brie?y to explain, in order to clear away the rubbish for a permanent foundation I have written for the eyes and understanding of common men seeking for Tauru. If I have expressed myself so as to be comprehended by them, tis well. If not, I regret it. I o all such is this little publication respectfully and affec tionately dedicated, with a sincere prayer that it may be instrumental in dispelling darkness from the mind, and in leading the soul to that fountain of living waters of which if a man drink he shall never thirst.
