

What Is Time?: Facts, Musings, and Speculations about Time for Children

By Peter I Kattan

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Time is my favorite topic. I always wanted to write a book about time. Finally I decided to write one designed for children. This is not a book that teaches your child how to tell the time. There are numerous such books on the market. This book is different. Basically the book delves into the nature of time. The book was designed such that it includes facts, musings, and speculations about time. These are written in a very simplified form suitable for children. The topics covered are: (1) Hours, Minutes, and Seconds, (2) Years, Months, and Weeks, (3) Past, Present, and Future, (4) The Calendar, (5) Dimensions, (6) The Fourth Dimension, (7) Psychological Time, (8) The Five Senses, (9) Age of the Universe, (10) Parallel Timelines, (11) Time Travel, (12) Mental Time Travel, (13) The Future, (14) Time and Dreams, (15) Three Dimensions of Time, (16) The Nature of Reality, (17) Consciousness, (18) Healing Yourself, (19) Synchronicity, (20) The End of Time, (21) The Transformation, (22) Time in the Bible. The book may be difficult for children especially...
