

## What?: Are These the 20 Most Important Questions in Human History Or is This a G

By Kurlansky, Mark.

Walker & Company. 1 Cloth(s), 2011. hard. Book Condition: New. Why is Mark Kurlansky one of our favorite nonfiction authors? Is it because he consistently finds subjects we didn't know we were interested in like Cod, Salt, and The Basque History of the World and makes them utterly fascinating and profound? Or is it that he can get away with writing a far-ranging inquiry into some of the world's oldest questions framed entirely in questions? Would you be surprised to find that Kurlansky here considers the questions of Confucius, Plato, Gertrude Stein, Shakespeare, Descartes, Nietzsche, Freud, Hemingway, Emily Dickinson, Charles de Gaulle, and Virginia Woolf? Without asking such questions, ponders Kurlansky, how will we ever get to the answers?"What at first appears to be a slight, merely quirky book Hey, look! This guy phrases every sentence as a question! sneaks up on us and, in the end, leaves us with a new appreciation for the power of the question mark." Booklist 84.
