Its common knowledge that parenting isn't an easy task; would be much easier if directions were attached to each child. In *Conversations with My Daughter*, author Robert Veres takes a humorous approach to child rearing as he applies a firm, wise hand to the parenting tiller. Veres shares imagined parent-child dialogues aimed at helping parents understand exactly what to say when confronted with the many difficult or unexpected situations they are likely to experience. In this hilarious guide, a father matches wits with his daughter, drawing conversations from every stage of life—from the battle over bedtime and the candy counter at the grocery store to driving off inappropriate (or scary) boyfriends to selecting the right college—along with everything in between.
