Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The white race will drop down to less than 10 of the worlds population in just a few decades. This is planed and hoped for by aa number of groups who hate white race people, and others who hate the fact that the white race is the biggest followers of the Lord and Savior Jesus Christ. The book will reveal the hypocrits who are behind this on going agenda and the reason for it. It will offer the solutions needed to stop this racist agenda. The book is a book that may not be politically correct, and that is what we need in this strange world of liberalism, where truth is a lie, and lies are truth. The book covers many lies like the Indian genocide which is a big lie.
