Kris Patterson, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.My father was a columnist in Port Alberni for several years and created a column called This was Then. It featured reflections on the heritage and history of Port Alberni. It was always his dream to publish a book. Unfortunately he passed away in May 2011 and was unable to fulfill his dream. I edited and reworked a selection of his columns and then published them into a book format. I launched the first volume in August 2012. It was so popular it lead to a second volume which was launched in May 2013. These columns became a community record which helped preserve our heritage and presents it in a way which makes it accessible to the general public. This second volume represents the demands of the public for more info. This volume is about 50 bigger and has more local historic photos from places like Angel Rock and many local businesses including Woodward's.
