Bradshaw's Guide Bradshaw at the Seaside: Britain's Victorian Resorts (Paperback)

By John Christopher, Campbell McCutcheon

Amberley Publishing, United Kingdom, 2015. Paperback. Condition: New. Annotated edition. Language: English . Brand New Book. Bradshaw's Guide of 1863 was the staple book on what's what and where's where for the mid-Victorians and it gives the modern reader a unique insight into the world of the nineteenth-century railway travellers. The guide introduced the notion of seaside holidays to the general public and thanks to the railways it became possible for a town or city dweller to catch a train for a day-trip to the coast and still be home in time for supper. `Oh! I do like to be beside the seaside, I do like to be beside the sea! I do like to stroll upon the Prom, Prom, Prom! Where the brass bands play: Tiddely-om-pom-pom! Using Bradshaw's Guide illustrated with contemporary images and seaside postcards, John Christopher and Campbell McCutcheon take us on a tour of Britain's Victorian resorts.
