(Better Date than Never series, Book #1) Ellen may not believe in storybook love, but it's about to rewrite her life. . . . Ellen's figured out that finding the right guy is all about compatibility. That's why she signs up for Detailed Dating-the local online dating scene in Sacramento. They ask men the hard questions, compare their answers with hers, then she filters through the profiles of each provided match. After numerous email exchanges, she narrows it down to two promising candidates she's excited to meet in person. When Ellen's best friend asks her for a favor, dog-sitting leads to disaster and Ellen ends up at the local vet where she meets a man she can't get out of her mind. Henry isn't a logical choice, but she finds herself paying for dog obedience class to spend more time with him. Ellen knows that in order to have a lasting relationship, she should take the safe route and go for one of the pre-screened guys. But, how can she think with her head when her heart keeps begging her to give Henry a chance?.
